I thought that I'd been hurt before but no one's ever left
me quite this sore your words cut deeper than a knife now I need
some one to breathe me back to life got a feeling that I'm going under
but I know that I'll make it out alive if I quit calling you my lover and move on
you watch me bleed until I can't breathe I'm shaking falling on to my knees and now that
I'm with out your kisses I'll be needing stitches tripping over myself aching
begging you to come help and now that I'm with out your kisses I'll be needing stitches
ches just like a moth drawn to a flame oh you lured me in I could
n't sense the pain your bitter heart cold to the core now I'm gonna reap
